User Contract

User Contract Nr.

between

Stiftung Gemeinsames Rücknahmesystem Batterien, Heidenkampsweg 44, 20097 Hamburg,

hereafter referred to as „**the Foundation**“,

and

.....

hereafter referred to as „**the User**“.

The Foundation operates the Joint Collection Scheme, as set out in the BattG (Batteries Act – Act Concerning the Placing on the Market, Collection and Environmentally Compatible Waste Management of Batteries and Accumulators) for the appropriate and safe recycling of batteries or their disposal in a manner compatible with the public interest. The User is a manufacturer of batteries as defined in the BattG, or has contractually assumed a third party's manufacturer obligations, and wishes to become a member of the Joint Collection Scheme.

Accordingly, the parties hereby conclude a user contract based on the General Terms and Conditions for participation in the Foundation's Joint Collection Scheme. On the basis of this contract, the Foundation provides the services of the Joint Collection Scheme to the User and the User pays the respective fee.
